Develop Your Resume With Us

Resume Development & Registration Services

OCTOPUSSJOBS.COM is a job portal which will assist you in your job search by providing effective Job search tools and the right kind of professional papers. The details are mentioned below for your convenience:

Resume Development:

Resume Development is aimed at providing you with a CV which is recruiter oriented, and at the same time assertive and concise in information. The CV is designed in an interactive manner keeping in mind your focus area. An expert developer would study your profile; your skill set, hierarchy and industry, and in 4-5 working days, mails you the first draft. They might ask you some queries, some information that was missed by you, you may revert back with your feedback and suggestions, which they will incorporate.

Benefits to Paid Registration:

1. 1st preference to the registered resume/jobseekers according to the opening with us.
2. Minimum 2 calls of interview in each quarter total 8 interviews in a year.
3. Will get 50% discount in the renewal charges every year.
4. Special registration on the spot is Rs250/- is going on which gives you faster search of JOB doesn't include resume development service.
